About Biodesix

Biodesix is a leading diagnostic solutions company with five Medicare-covered tests available for pulmonology patients. The Nodify Lung® Nodule Risk Assessment evaluates the risk of malignancy in pulmonary nodules, enabling physicians to better triage patients to the most appropriate course of action. The IQLung™ test portfolio for lung cancer patients supports treatment decisions across all stages of lung cancer and expedites personalized treatment. In addition, Biodesix collaborates with the world's leading biopharmaceutical companies to provide biomarker discovery, diagnostic test development, and clinical trial support services. For more information, visit [biodesix.com](#).
